Dear Abe.:

This is to advise you that under the conditions of our team we can not play both the Eagles and the Grays on the same day, Sunday May 26th at the Yankees Stadium.

We suggest that the Eagles and Grays play the first game and the Yankees play the winner.

We are also notifying the Grays of our decision not to hurt ourselves by attempting to play two strong clubs on the same afternoon.

Very sincerely yours,

James Semler
